ST. BONIFACE CHURCH

TO KEEP YOU UPDATED

HOLY HOURS: Until further notice there will be **no weekly Holy Hours**.

ST. BONIFACE FACEBOOK: Lisa Biedenbach has been doing a wonderful job keeping us updated on Facebook. Even though we couldn't go to church her postings about the church and some beautiful organ music by Don Auberger made us feel a little closer. Please check out all of her postings at St. Boniface Church-Northside.

SAINT BONIFACE WEBSITE: Another way to keep in touch is to check out our website that is updated by Tim Banish. He is continually making changes to make it better. Just go to stbonifacecincinnati.com. He also posts the weekly bulletin on the website.

SAINT VINCENT DEPAUL: The St. Boniface SVdP drive-thru, no-touch Food Pantry served 88 families in June. A total of 273 people were helped. Families received pre-bagged food, pre-bagged personal care and cleaning supplies. The San Oscar Romero SVdP Conference also

contributed "blessing bags" of Dawn, hand sanitizer, hand soap, and masks for the families. At this time of the year we begin collecting back to school supplies to help families with children.

We are very grateful for your continuing In-kind and financial support of our ministry to families in need. Please, pray for us and those we serve.

Also, The SVdP Retail Stores opened again on June 1 after being closed for several weeks. You can help replenish the stores by taking your clothing, housewares, and furniture donations to a SVdP store or for pick-up call 421-CARE. *Thank-you.*

THE HEALTH AND WELLNESS MINISTRY will not be doing Blood Pressure

NOTE: Screenings this month. We just want to remind you to please be careful this summer when we have extreme temperatures. Be sure to keep yourself hydrated and protect yourself from damaging UV rays and skin cancer. Seek shade, wear tightly woven clothing, and avoid the intense sun from 10 a.m. to 4 p.m. Sun exposure happens whenever you are in the sun –

gardening, fishing, hiking, riding a bike, going to the zoo or going to and from your car. Also be sure to wear your mask if you are in a group and please social distance. We know that this will help prevent the spread of the Covid 19.
